Guide to the European health resorts

Monday 16 February 2009

The competition aims to develop in young people a historical awareness and a sense of belonging to the local, national and European community.

The competition is open to classes of students (led by the teachers), aged between 15-19 from secondary schools of the following countries: Austria, Croatia, France, Germany, Hungary, Italy, Poland, Portugal, Rumania, Spain and the United Kingdom.

- More information is available [here](#).
- An application form is available [here](#).

Closing date for entries is 20 April 2009.
